

**St. Margaret Mary
Photo/Video Information
Withholding of Permission Form
2011-2012**

When you register your children for religious formation, youth ministry and sacrament programs, you are giving us permission to photograph and video tape your children. These images may be used in parish publications, on the parish website, in local newspapers or in television broadcasts, etc. Children will be identified by first name only in these various formats.

As the parent of a minor, you have the right to withhold your permission, and to object to our use of your child's picture or video in the above mentioned situations. If you wish to prevent us from using your child's photo or video, please complete the form below and return it to the religious formation and youth ministry office as soon as possible. This withholding of permission is valid from August 2011 through August of 2012, unless you notify us in writing that you have changed your position and will allow us to use photos and videos of your child.

I, _____ (Parent Name) withhold my permission and do not give St. Margaret Mary Parish permission to use photos or video images of my child/children, named here:

_____ in any future publications, on the parish website, in submissions to newspapers, television stations, etc.
